

COOKIE POLICY

This policy provides detailed information about the cookies we use on the Company's Website <https://site.pro/> (the "Website"), the purposes for which we use them, the information we collect, and how to manage and delete these cookies.

1. Cookies

The Website uses cookies to ensure proper functioning of the Website, for marketing purposes, and to collect anonymized statistical information about Website traffic. This is a common practice among most websites.

2. What Are Cookies?

Cookies are small text files that are stored on your device (computer, smartphone, tablet, or other device) when you visit a website or use its services. They enable the Website to remember your actions and preferences for a certain period of time, so you do not have to re-enter them each time you visit or navigate between pages. Cookies may also be used to track the duration and frequency of visits and to collect statistical data about Website users.

3. Legal Basis for Using Cookies

All cookies we use are only placed with your prior consent, except for essential cookies. Essential cookies help ensure the secure operation of the Website and allow visitors to browse and use the Website's features. Without these cookies, the Website would not function as smoothly as intended, and we would not be able to provide certain Website services. We also inform you that essential cookies do not collect information for marketing purposes, nor do they track or record statistical data about your browsing on the Website. On the Site.pro website <https://site.pro/>, you can use the cookie management tool to choose which types of cookies you wish to enable and to change your cookie settings or withdraw your consent at any time. If you agree to all cookies, you can simply click "Confirm All" (or "Accept All"), depending on the cookie tool implemented on the Website.

4. Types of Cookies We Use

In the cookie management tool, you can view detailed information about the cookies used on the Website – this includes information about the types of cookies, their purposes, and their expiration periods. (If it is not possible to provide this information within the cookie tool, all information about cookies must be provided here, in the Cookie Policy. Your IT personnel can provide information on which cookies are used on the Website.)

5. Purpose of Cookies

- On the website <https://site.pro/>, cookies are used to:
- Recognize whether a visitor has previously visited the Website;
- Record statistical information about Website traffic and visitor browsing habits;
- Remember the choices you have made when using Google services;
- Tailor online advertising based on the visitor's browsing history on the Website;
- Improve the Website to ensure it is secure, fast, and user-friendly.

The legal basis for using cookies is our legitimate interest in ensuring the technical functionality of the Website. When cookies are used to remember your preferences, for statistical purposes, or for delivering personalized advertising, the legal basis is your expressed consent.

6. Statistical Data on Website Browsing (if Google Analytics or any other tool is used)

We continuously improve the website and aim to make it as simple and convenient as possible for visitors. To achieve this, we need to know which information is of most interest to our visitors, how often visitors access the Website, which browsers they use, which content interests them, from which locations they access the Website, on which devices the Website operate, and so on. We collect this information using Google Analytics tools, which not only allow us to track how visitors use the Website but also provide advertising offers that we believe may be of interest to you, based on your previous visits to the Website.

Please note that the information collected via Google Analytics cookies is not linked to your IP address and is anonymous.

You can learn more about Google Analytics here: https://support.google.com/analytics/answer/1012034?hl=en&ref_topic=615780.

You can opt out of Google Analytics tracking your online activity. To do so, use the Google Analytics opt-out browser add-on: <https://support.google.com/analytics/answer/181881?hl=en>.

7. How to Control Cookies?

You can change and manage your cookie consents using the cookie management tool ([direct link to the tool]).

You can also delete all cookies already stored on your computer and set your web browser so that cookies are not stored on your device. Most web browsers automatically accept cookies, but if you wish, you can easily modify your browser settings to block them.

Detailed information on how to delete cookies and how to change browser settings to prevent cookies from being stored can be found here (active links):

Supported browsers include:

- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Microsoft Internet Explorer
- Opera
- Apple Safari

To remove cookies from your mobile phone, please refer to your phone's user manual.

8. How Long Do We Retain Your Information?

The retention periods for cookies are specified in the cookie management tool next to each cookie.

Data for which processing requires your consent is automatically deleted immediately after you withdraw your consent. Statistical information collected using Google Analytics is generally used for up to 2 years. Since some of this information can only be deleted by our partners, they also determine the retention period.

9. Who Do We Share Your Data With?

We always keep your data secure and require all our partners and service providers who have access to your data to ensure its protection. Your data may be accessed by our employees responsible for the operation and content of the website <https://site.pro/> and by Site.pro partners who provide advertising and marketing services; develop, maintain, and support software; or provide website content management system and hosting services. In all cases, your personal data is disclosed only to the extent necessary to ensure the provision of high-quality services.

10. How to Access Your Data?

If you wish to know what personal data we have collected about you, please contact us by email at privacy@site.pro or [send a request](#) by registered Company address.

You can also use these contacts to request the correction, deletion, or restriction of your data, to withdraw given consents, to object to the processing of your data based on our legitimate interest, to object to data processing for direct marketing purposes, or, where applicable, to exercise your right to data portability.

11. Where to Report a Possible Violation?

If you believe that your privacy rights have been or may be violated, you can submit a complaint to the State Data Protection Inspectorate (hereinafter referred to as SDPI) at Company country. However, before contacting the SDPI regarding the contested personal data processing, we kindly ask you to first contact Company by email at privacy@site.pro so that any issue can be resolved peacefully and promptly.

12. Procedure for Updating the Cookie Policy

This Cookie Policy may be updated or amended, with any changes published on the website <https://site.pro/> , providing the updated or amended version of the Cookie Policy and specifying the effective date of the new version. We recommend reviewing this Cookie Policy regularly to stay informed about the use of cookies on the Website.
